Lesson 21	
Lesson objectives	Joy spring - short 2-5
Activities	<p>Choose your favourite phrase from the pdf.</p> <p>Practice it in the keys for Joy spring so that you are completely fluent!</p> <p>DO NOT, try it with the backing track until you can play the phrase perfectly!</p> <p>Perfect progress = Perfect progress!</p> <p>Then play it over and over NEVER reading the music.</p> <p>Then, move onto the next one!</p>
Resources	<p>Backing tracks</p> <p>PDF sheets in C, Bb, Eb & bass clef</p>
Notes on the lesson	<p>This pdf, if practiced properly, will take a LONG TIME to nail and really internalise! The ii-v phrases are created to be super melodic, pretty simple (chord changes) and east to transpose as there is no chromaticism.</p>
